

AMENDMENTS TO THE DRAWINGS

In Figure 4

Section lines 5--5 have been added.

In Figure 5

Existing label 114 is changed to 119.

Door casing is marked with label 80.

Existing label 107 is removed and existing label 106 is changed to 107.

Existing label 106 is removed and the hole at the center of pulley 102 is marked with label 106.

In Figure 6

Existing label 114 now points to the groove associated with rear plate 113.

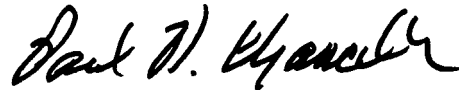

Existing label 112 now points to the front plate associated with groove 127.

Existing label 95 is removed.

REMARKS

No new matter has been added to the specification, the specification was merely amended for clarity. Specifically, the drawings and specifications of the original patent have been amended to more clearly describe the present invention set forth in claims 21-35 and to ensure that similar reference characters refer to similar parts.

Respectfully submitted,

Dated: August 27, 2004
